Cast Antonio Parač, Kristian Bonačić, Nina Mileta, Ivan Maltarić, Filip Mayer, Dijana Vidušin, Ozren Grabarić

Synopsis

Koko and the Ghosts is a story about a boy, Koko, who moves from the countryside into a city and meets new friends, but getting into trouble he will need and ask for help from "the old ones". The apartment he moves into used to belong to Vincek, an old stingy man, whose death is veiled in mystery. Do ghosts exist and will Koko, with the help of his friends, be able to solve the secret? His lovely sister Marica, loyal dog Car, wise inspector Krivić and his worried parents will all be part of the story. Will Koko once again find the solution to this mystery before the adults do?

About the director

Daniel Kusan was born in Zagreb, Croatia in 1975. He graduated film and TV-directing at the Academy Of Dramatic Arts in Zagreb. He has been working professionally in film and television since 1998. He has directed films (TV-films and short fiction), television series, documentaries and commercials. He has written screenplays for most of his fiction films. Kusan has also directed and written for theatre and has published several short stories in literary magazines. He is a film director and screenwriter with more than ten years of film and television experience and is a member of the Croatian Film Directors' Guild.
